PROGRAM BENEFITS

This is only an overview of coverage. Actual contract coverage, limitations and exclusions may apply. See your Service Agreement for details.

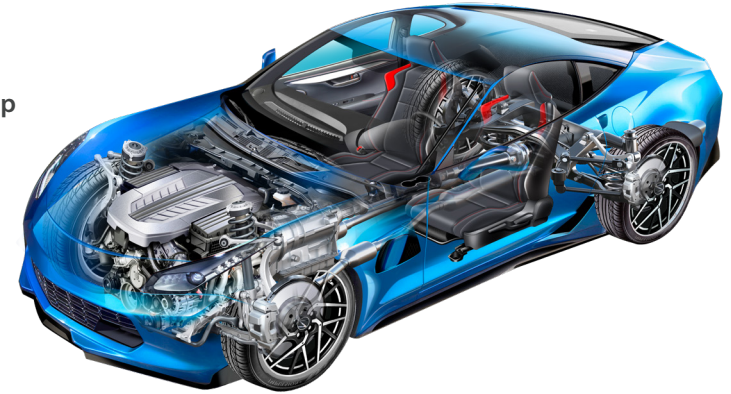

CarSaver Protection Plus+

Enjoy additional peace of mind with CarSaver's Protection Plus+. In addition to your vehicle's powertrain, CarSaver's Protection Plus+ covers thousands of other vital components.

Below, you will find a detailed summary of all components covered by CarSaver's Protection Plus+ including additional benefits. For more information, or to contact a representative, contact 1-888-965-1120.

Common Repair Costs

Engine \$3,468	Intake Manifold Gaskets \$790	Power Steering Pump \$714
ABS \$818	Infotainment System \$2,452	A/C Compressor \$1,156
Radiator \$859	Fuel Tank Sending Unit \$721	Transmission \$2,625

Engine

Engine block and cylinder head(s), and all internally-lubricated parts, seals and gaskets, pistons, connecting rods, crankshaft, cam shaft, push rods, valves, rocker arms, timing gear, chain and belt, harmonic balancer, oil pump, oil cooler, oil pan, water pump, fuel pump, intake manifold, exhaust manifold, engine mounts, vacuum pump, all engine pulleys, rotors, all internally-lubricated parts of the turbocharger/supercharger. The turbocharger/supercharger housing is covered only if damaged by the failure of an internally-lubricated part. For hybrid electric vehicles, electric motor and power controller. Plus more!

Transmission

Transmission case, transfer case, torque converter, and all internally-lubricated parts contained within the cases, seals and gaskets, throttle valve, valve pack, governor, gear and cover, parking gear and pawl, roll pins, chain, springs, pressure regulator valve, automatic transmission clutch, speedometer drive gears, accumulators and rings. For hybrid electric vehicles, electronic transmission. Plus more!

Drive Axle

Front and rear differential housing, transaxle housing, final drive housing, and all of the internally-lubricated parts of the foregoing, seals and gaskets, axle shafts, constant velocity joints, universal joints, drive shafts, axle bearings, axles, pinion ring, pinion gear, U-joint, prop shaft, and center support bearings. For hybrid electric vehicles, hybrid transaxle. Plus more!

Heating/Cooling

Water pump, thermostat, radiator, radiator mounting brackets, seals and gaskets, fan shroud, fan control module, coolant recovery unit, heater ducts and cabins, blower motor, heater core, fan, fan clutch, and fan motor. Plus more!

Braking

Master cylinder, power assist booster, wheel cylinders, combination valves, proportioning valves, seals and gaskets, metal hydraulic lines and fittings, disc calipers, backing plates, springs, electronic anti-lock brake system (ABS), parking brake linkage, parking brake cables, rear actuators, ABS wheel speed sensors, ABS hydraulic pump/motor assembly, and metering valve. Plus more!

Air Conditioning

(Factory Installed Units Only) Air conditioner compressor, clutch, condenser, evaporator, expansion valve, seals and gaskets, accumulator, idler pulley, bearings, blower motor, temperature control programmer, power module, high/low cut off switch, AC serpentine belt tensioner, AC serpentine belt bearing and pulley. Plus more!

Suspension

Struts, strut bar, bushings, mounting plates, and retainers, seals and gaskets, upper control arm, lower control arm, control arm shafts, control arm bushings, upper ball joints, lower ball joints, steering knuckle, wheel bearings, stabilizer shaft, linkage and bushings, torsion bars, mounts and bushings, bar bushings, spindle, spindle supports, radius arm and bushings, coil springs and bushings, leaf springs and bushings, strut cartridge, McPherson struts, track bar, track bar links and bushings. Plus more!

Steering

Gear housing and all internally-lubricated parts, including the rack and pinion, seals and gaskets, power steering pump, main shaft, intermediate shafts, couplings, steering cooler, steering cooler lines, power cylinder, pitman arm, idler arm, tie rod, tie rod ends, control valve, electric power steering motor, sensors and computer module, fluid reservoir, and rack and pinion control valve. Plus more!

Electrical

Starter, starter solenoid, seals and gaskets, alternator, voltage regulator, distributor, ignition coil, wiring harness, starting solenoids, ignition switch, lock and tumbler, brake light switch, horns, manually operated switches, power door locks, power trunk solenoid, window motors and regulators, mirror motors, power antenna motor, power seat motor, cruise control, turn signal switch, headlamp switch, dimmer switch, wiper motors, wiper/washer pump, power sunroof motor, power sunroof switches, convertible top motor and switches, steering wheel multifunction switches, memory seat switches, electronic level control module, instrument cluster, keyless entry system, electronic anti-theft device, main engine wiring harness, engine control module, backup light switch, wiring harnesses, manifold absolute and differential pressure sensors, cam shaft position sensor, barometric pressure sensor, cooling fan relay, air control solenoid, knock sensor, oxygen sensor, mass air flow sensor, and coolant temperature sensor. For hybrid electric vehicles, inverter, generators, electronic display monitor, integrated starter generator, generator assembly, inverter assembly and converter, engine power control module, and motor generator. Plus more!

Fuel Delivery

Fuel pump, fuel tank, lift pump, sending unit, metal fuel lines, fuel injectors, fuel injector pump, fuel injection valve, throttle body, cable, position sensor, and linkage, fuel mixture control processor/module and sensors, oxygen sensor, diesel injectors, diesel injector pump, vacuum booster pump, fuel distributor, pressure regulator, and fuel rail. Seals and gaskets are covered for listed components. Plus more!

Vehicle Hardware

Bumper impact absorbers, headlamp mounting brackets, parking and side lamp bodies and sockets, hood latch, cables, hinges and springs, side door handles and hinges, glove box lock/assembly, ash tray assembly, manual seat track assembly, trunk lid hinges, torsion bars and striker plate.

Excluded Components

Manual clutch assembly, including pilot bearing assembly, throw out bearing, clutch engagement arm and pivot, clutch disc, and pressure plate, glow plugs, battery cables, battery case and mounting hardware, plug-in outlets, plug-in cable, trickle charger cable, hydrogen cell fuel stack, all filters, coolants and fluids (unless in conjunction with a covered repair), PVC valves, spark plugs, plug wires, EGR valve, exhaust pipes, emission components, catalytic converters, mufflers, resonators, shock absorbers, weather strips, metal trim, plastic trim, carpet, cup holders, vinyl and convertible tops, convertible frame and mechanism, sunroof track and mechanism, safety restraint systems or any part thereof, brake drums, brake rotors, solar powered devices, glass, lenses, headlamp assemblies, LED assemblies, ballasts, H.I.L.E.D. cooling systems, body parts and/or body panels, broken glass, trim, moldings, tires, wheels, upholstery, paint, bright metal work, worn or carbon fouled piston rings, burnt valves, electronic device software, or non-factory installed, non-dealer installed, and non-OEM systems, including, without limitation, audio, navigation, remote start, security systems, speakers, antennas, cellular phones, satellite components, video components, guidance systems, personal computers, and phone systems. Brake pads, shoes, wiper blades, wiper arms, batteries, drive belts, rubber hoses, sealed beams, fuses, xenon lighting systems, and light bulbs. Tire balance or wheel alignment (unless in conjunction with a covered repair).

**Actual repair costs obtained from NWAN claims register summary 9-15*

Additional Benefits

24/7 ROADSIDE ASSISTANCE
\$100 per occurrence

SUBSTITUTE TRANSPORTATION
\$40 per day, up to 8 days per claim

TRIP INTERRUPTION
\$90 per day, up to 3 days per claim
